

Top Six Reasons Business Upstarts are Using Toronto Office Space

More businesses using Telsec office space in Toronto during economic slowdown

Toronto, Canada (MarketWire) September 9, 2008 – More and more expanding businesses and business upstarts are turning to Toronto for their office space, and with good reason says [Telsec](#), a leading provider of [Toronto office space](#), Toronto virtual offices and executive offices, the benefits of using office space in Toronto are exponential, with Telsec offering all of the following:

1. Lower Costs

“With the economic slow down in the U.S. and Canada showing signs of a slowing economy as well, more businesses are looking for ways to lower expenses,” said Brian Miles, owner of Telsec. “Telsec [office space Toronto](#) services are ideal for people that must downsize or wish to save costs, with our [Virtual Office Toronto](#) Mail Address plan starting at just \$30 per month or our Telephone and Mail Service starting at just \$75 per month.”

2. No Long Term Commitments

Renting office space or [Toronto virtual offices](#) from Telsec requires no capital or long term rental contracts, allowing growing businesses or upstarts to have their own business space without a prohibitive office lease that can cut off needed funds and disable a small business from the start.

3. Room to Grow

With the many different office packages Telsec offers, small businesses can start out with only what is necessary and expand into more office space and additional services as they grow, without the hassle of changing their address or telephone number. Alternatively, if a business is particularly affected by the credit crunch they can easily downsize services until they get back onto their feet.

4. Fewer Bills

With Telsec’s modern, cost-effective solution there are clear charging procedures for cost control and no day-to-day office management problems. No more cleaning or maintenance bills, water bills, electric bills, phone or Internet charges – just one monthly invoice.

5. Multi-task While Waiting for Your Business to Take Off

No need to wait to start a business or test your idea, Telsec offers Mail address and/or professional telephone answering services at such affordable rates you can keep your full time job and operate your own business at the same time. Telsec staff will handle all your calls in a professional and efficient manner. In addition, Telsec will forward your mail weekly free of charge.

6. Location, Location, Location

Telsec is located at One Yonge Street in the Toronto Star Building – Toronto's number 1 address located on the longest street in the world. Everyone knows where the Toronto Star Building is located!

Telsec provides executive offices, virtual offices (mail service and/or telephone answering), furnished offices, Toronto office space, meeting rooms, training rooms and more to allow business owners to concentrate on their companies 100% while Telsec takes care of the rest.
